Presents

GLOBAL ENTREPRENEURSHIP SUMMIT 2025

GENESIS OF GRANDEUR

18TH EDITION OF GLOBAL ENTREPRENEURSHIP SUMMIT

7TH-9TH FEBRUARY

IIT KHARAGPUR

The founding of **IIT Kharagpur in 1951** can be called a significant event in many senses. It evoked the idea of a self-reliant nation. The institute **was initially housed in the Hijli Detention Camp**. Thus, a prison house was transformed into a temple of learning. It was set up in the sylvan surroundings far from the maddening crowd, to provide the right atmosphere for creative thinking.

In educated circles across the country IIT Kharagpur soon became a household name as a **torch bearer of scientific knowledge** each IIT pursued the common goal of excellence in its own way, IIT Kharagpur was created based on the principle of fairness, justice and dedication with a clear and lofty sense of purpose. It is the largest technical institution in India and **ranked the best institution in the country** imparting technical education and research.

ABOUT US

ENTREPRENEURSHIP CELL is a student body of IIT Kharagpur, formed in **2006** solely with the purpose of inspiring and guiding start-ups in IIT Kharagpur and to foster an entrepreneurial culture in the campus of IIT Kharagpur. We now play that **role on a national scale** & have **won acclaim across the world.** We have started various initiatives to inculcate the entrepreneurial spirit among the youngsters of India.

> Functioning as a guide for students having creative ideas which could be transformed into successful ventures.

> Inspiring an increasing number of students to startups on their own and to promote such ventures

> Organizing workshops and events periodically to create awareness about entrepreneurship
